HP Special Inkjet Paper

The HP DesignJet printing system—the complete solution

HP DesignJet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

- HP has a preference for offering Forest Stewardship Council® (FSC®)-certified papers that are sourced from FSC®-certified forests and other controlled sources. BMG trademark license code FSC®-C115319, see <u>fsc.org</u>. HP trademark licence code FSC®-C017543, see <u>fsc.org</u>. Not all FSC®-certified products are available in all regions. For information about HP large format printing materials, please visit <u>HPLFMedia.com</u>.
- ² HP Large Format Media take-back program availability varies. Some recyclable HP papers can be recycled through commonly available recycling programs. Recycling programs may not exist in your area. See <u>HPLFMedia.com/hp/</u> ecosolutions for details.

Enjoy productivity advantages with excellent image quality

A high-production paper with quality results

An economical, everyday paper that dries fast and is water- and smudge-resistant, providing vivid colors for high-resolution presentation graphics.

Print with ease—with the environment in mind

HP printing materials are designed together with HP inks and the printer to provide consistent, quality performance. Meet the environmental objectives of your company—and your clients—with this recyclable¹, FSC®-certified paper².

See the bright, clear difference.

See precise lines with sharp, fine detail. Optimize your everyday printing with the reliable,

Target customers	Applications	Benefits	
Design professionals	Check plots	Crisp black and color line quality	
Engineering professionals	Everyday presentation	Ideal for day-to-day production	
CAD		Uniform area fills	
GIS		Everyday paper
