

HP Universal Instant-dry Gloss Photo Paper

The HP DesignJet printing system—the complete solution

HP DesignJet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

Produce attention-getting gloss prints

Deliver excellent image quality

Produce excellent results with this economical photo paper. Improved HP Universal Instant-dry Gloss Photo Paper delivers excellent image quality for attention-getting photos and display graphics—from posters and presentations to retail graphics.

Save time and money with instant-dry prints

Save time, streamline your workflow, and increase your productivity. Prints dry instantly for immediate handling and lamination. Jumbo rolls enable unattended printing.¹ Enjoy the easy, trouble-free printing you expect from HP.

See versatility, print with the environment in mind

Count on long-lasting prints with this FSC®-certified paper. Get great results for indoor display graphics, whether you're printing with HP dye- or pigment-based inks. Get exceptional print permanence, whether in-window² or away from direct sun.³

¹ Available in North America, Latin America, and Europe.

² With Original HP 91 Photo Inks or Original HP 711 or HP 72 inks. Interior in-window display ratings by HP Image Permanence Lab. HP predictions based on test data under Xenon-Arc illuminant—calculation assumes 6,000 Lux/12 hr day. For more information, see HPLFMedia.com/printpermanence.

³ With Original HP 91 or HP 70 Photo Inks or Original HP 83 UV inks or Original HP 711 or HP 72 inks. Display permanence rating for interior displays/away from direct sunlight, under glass by HP Image Permanence Lab and/or by Wilhelm Imaging Research, Inc. on a range of HP media. For more information, see HPLFMedia.com/printpermanence.

⁴ In North America and Asia (including Japan), recyclable in consumer collection systems that can accept mixed paper (may not be recyclable in your area); in Europe recyclable in consumer collection systems that accept liquid packaging.

Target customers	Applications	Benefits
Graphic designers	Trade show and event displays	Better image quality with Original HP dye- and pigment-based inks (wider color gamut for more vivid color, and deeper blacks)
Architects	Posters and presentations	Higher gloss
Engineers	POP and retail displays	Durable prints for easier media handling
Geographic Information Systems (GIS) professionals	Photo enlargements	
Print service providers	Art reproductions	Long-lasting prints (up to 200 years indoors, away from direct sun; ³ in-window—up to 6 months unlaminated, up to 1 year laminated ³)
	- Quick printers	
	- Small sign shops	
	- Copy shops	
	- Repro houses	
	Geographic Information Systems (GIS)	Longer periods of unattended printing with jumbo 61 m (200 ft) rolls ¹
		FSC®-certified paper
		Recyclable through commonly available programs ⁴
