Data sheet

HP Satin Wrapping Paper, 3-in Core

The HP large format printing system—the complete solution
HP Original inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

Create custom wrapping paper with your HP PageWide XL, HP DesignJet Z6XXX or HP Latex printer

Find new profit potential with custom wrapping paper
The trend toward personalization is growing and now includes gift wrap. With the ability to print personal images, logos, and messages, customized wrapping paper is the perfect way to make a gift look special. Offer your customers this profitable, custom wrapping paper with little to no investment.

Achieve high-quality, durable results
Produce high-quality wrapping paper and posters that provide excellent image quality. Compatible with HP PageWide XL pigment inks, HP DesignJet Z6XXX and HP Latex Inks, this paper drys quickly and stays intact with handling—avoiding smudges and smears.

Differentiate with environmental credentials
Offer your customers a recyclable,[1] FSC®-certified paper[2] that can help them achieve their environmental goals.

Target customers	Applications	Benefits
Print service providers	Wrapping paper	Unique, customized wrapping paper for increased profit potential
Photo printing houses	POS posters	Visibly enhanced print quality at production speed
Quick printers	Posters and presentations	Works well with an external take-up reel
In-house printing		Optimized for HP PageWide XL, HP DesignJet Z6XXX, and HP Latex printers
		Recyclable through commonly available programs[1]
		FSC®-certified paper[2]

1 Can be recycled through commonly available recycling programs.
2 BMG trademark license code FSC®-C115319, see fsc.org. HP trademark license code FSC®-C017543, see fsc.org. Not all FSC®-certified products are available in all regions. For information about HP large format printing materials, please visit HPLFMedia.com.
