

# HP Universal Heavyweight Coated Paper, 3-in Core

## The HP large format printing system—the complete solution

HP Designjet, HP Latex, and HP Scitex Printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

## Achieve economical, heavyweight everyday printing

### Accomplish more with consistent results every time

From working comps and design proofs to POP signage and special event posters, see high-quality, consistent image quality print to print and roll to roll.

### Make the economical choice for everyday prints

Meet your everyday printing needs and enjoy consistent, high-quality results with this economical heavyweight matte coated paper.

### Add flexibility —this paper is FSC®-certified

Use this high-quality printing material across a broad range of HP Latex, dye, and pigmented ink printers. And get added flexibility with this recyclable, FSC®-certified paper that supports the development of responsible forest management worldwide

Target customers	Applications	Benefits
Architects	Posters and presentations	Consistent, high-quality results
Engineers	POP and retail displays	Cost-effective for everyday use
Geographic Information Systems (GIS) professionals	Geographic Information Systems (GIS)	Recyclable through commonly available programs
Graphic designers	Architecture (AEC) and engineering (MCAD)	FSC®-certified paper
Print service providers
