

# HP Natural Tracing Paper

## The HP DesignJet printing system—the complete solution

HP large format printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide uncompromising image quality, reliability, and consistency—with every print.

## Produce clear reproducible final drawings

### Communicate with clarity

Clear, concise drawings can avoid costly mistakes. Achieve crisp black and color line quality—HP Natural Tracing Paper provides excellent bleed control—for archivable prints.

### Deliver easy-to-read plans

Your technical drawings need to communicate without ambiguity. Produce easy-to-understand, easy-to-read reproducible prints with HP Natural Tracing Paper, designed to work together with Original HP inks.

### Deliver on time, on budget

Get the results you expect with the first print. HP printing materials are designed to work together with Original HP inks and your DesignJet printer to provide consistent, quality results.

Target customers	Applications	Benefits
Architects	Engineering (CAD), architecture (AEC), and Geographic Information Systems (GIS) archives or reproductions	Crisp black and color line quality
Engineers		Excellent bleed control
Geographic Information Systems (GIS)		Archivable prints
